In compliance with your request of 13 February.

Herewith, suggestions for remarks, and drafts of suggested Charts,  
1, 2, and 3 (though 2 and 3 could be combined if you prefer).

Chart 3 presents those "estimates" that can be best presented without too  
many "notes" and qualifications.

We will go ahead with the charts, each 3' x 4' unless you have some changes.
